### III. OLD BUSINESS\*\*\*

- A. Continued Discussion of meeting place and time/date schedule for Regular Board Meetings and Committee Meetings and Zoom Meetings. Action is requested.

Continued discussion needed from the Regular October 26 Board meeting, as Trustee Cassella noted that inclement weather during January and February sometimes makes travel difficult. Trustee Cassella then moved that the Board meet on the third Wednesday of the month starting in December 2022 at 3:30 p.m. and that the Board will only meet via Zoom if necessary. Trustee Bushore seconded the action. Motion carried with Trustee Mertens abstaining.

Action needed to amend this prior Action.

- B. At the Regular October 26, 2022, Board meeting, Counsel Highsmith informed the Board the Brown Act only allows virtual meetings until the end of January 2023. She also said that once the Board goes back to in-person meetings there has to be at least three members physically present. Teleconferencing by a member unable to attend is okay, but there still needs to be three members present and Board members need to let the Chair know in advance regarding teleconferencing.

Action recommended for acknowledgment of future meeting protocol.

- C. At the, October 26, 2022, Board meeting there was a discussion of optional Digital Signature Form for Board Remuneration Request. If approved, and member(s) form selected in lieu of a wet signature, copy of any signed Digital Signature form is to be forwarded to County Auditor for approval, Action requested, including Form, for approval thereof.

District Counsel reported therewith there are some necessary steps to be taken before such in lieu action can be approved. She then went on to enumerate the steps.

The Board needs to take action or to proceed or dismiss the idea.

- D. Discussion authorizing Chair to have access to District website.

At the October 26, 2022, Board meeting the Chair reported that at present there is no one authorized to have access to the website in the absence of the Manager, nor is the contact information readily available should it be needed. Trustee Cassella said such information could be placed on a card.
